About Me

Passionate and results-oriented Front-End Developer with strong foundation expertise in building scalable, component-based applications using React.js, Next.js, and TypeScript. Seeking to leverage skills in API integration and responsive design to contribute to a collaborative IT team in Dhaka.

Skills

- **FRONT-END STACK:** React.js, Next.js, TypeScript, JavaScript (ES6+), Redux/Context API
- **STYLING & MARKUP:** HTML5, CSS3, Tailwind CSS
- **TOOLS & PLATFORMS:** Git, GitHub, Firebase, VS Code
- **CONCEPTS:** API Integration, Responsive Design, Component-based Architecture

Education

Diploma in Computer Science And Technology

Sylhet Polytechnic Institute, Sylhet

2021 - 2025

- Relevant Coursework: Strong foundation in Data Structures, Algorithms, and Object-Oriented Programming (OOP) concepts.
- Final Project: Applied software engineering principles to the development of a real-world application.

Revised Projects

1. Task Manager App (TaskFlow) | [Live Demo](#) | [GitHub Code](#) (<https://github.com/asaduzzaman8316/Task-Manager>)

- Implemented a full CRUD (Create, Read, Update, Delete) application using React and Local Storage for state persistence, ensuring a consistent user experience.
- Designed and styled the entire application using Tailwind CSS, adhering to a mobile-first, responsive architecture.
- Demonstrated proficiency in Git by managing feature branches and contributing to an organized repository.

2. E-Commerce Website (AsadShop) | [Live Demo](#) | [GitHub Code](#) (<https://github.com/asaduzzaman8316/Asad-Shop>)

- Developed a fully responsive e-commerce web application using React.js, TypeScript, and Tailwind CSS, featuring modern UI and dynamic product rendering.
- Implemented Redux for global state management, enabling efficient cart, and product data handling.
- Integrated React Router for seamless multi-page navigation, enhancing user experience and routing performance.

SOFT SKILLS

- **Effective Communication**
- **Collaborative Mindset and Strong Teamwork**
- **Problem-Solving and Critical Thinking**
- **High Adaptability and Rapid Learning**
